Hi, I'm Laura. Marketing taught me that every good campaign answers a real problem, and my curiosity about what comes after that pulled me into UX: how people actually experience the things around them. I'm at my best in a team, sketching on paper first, then turning messy insights into ideas people actually want to use. As a person I'm friendly, reliable and endlessly observant, usually the one quietly redesigning the queue I'm standing in.

EXPERIENCE

STORE EMPLOYEE

SPAR | 2023 – present | Belgium

More than a student job: a front-row seat to customer experience.

- Work the main register in a busy store, seeing first-hand what confuses, frustrates or delights customers.
- Learned to stay calm, friendly and patient when it gets busy.
- Restock and arrange shelves so products are easy to find.
- Open and close the store, working closely with the team.

VOLUNTEER CROWD MANAGEMENT

Tomorrowland & Rock Werchter | 2023 – present | Belgium

- Help festival visitors move safely and smoothly through busy areas.

ACHIEVEMENTS

2ND PLACE · HACK THE FUTURE

Hackathon | 2025

- 2nd place with our concept.

ACCELERATING AGENCIES PRIZE

HOGENT graduation | 2024

- Highest marketing communication score at my marketing graduation.

BEYOND WORK

Storyteller since childhood. Animal lover and daily walker of a big chocolate lab.
